MEMORANDUM FOR: OLC

25X1 ATTENTION: [REDACTED]
Assistant Legislative Counsel

25X1 FROM: [REDACTED]
Chief, Classification Review Division

SUBJECT: 1959 Senate Foreign Relations Committee
Galley Proofs

1. We have completed the classification review of the galley proofs of the Senate Foreign Relations Committee's 1959 hearings which you forwarded to us on 4 March 1981. We apologize for the delay in returning them to you, but it was necessary to seek advice on certain weapons intelligence items from two NFAC offices which have only recently returned the items to us.

2. The galley proofs, as received, cannot be declassified and released to the public; however, we have indicated with yellow highlighting certain portions which may be removed from the two documents, allowing the remainder to be released as a sanitized version of the hearings. The deletions have been made to protect intelligence sources and methods and may be found on the following pages:

Hearings of 26 January 1959; pages 79, 80, 81, 83, 84, 91, 101, 103, 104

Hearings of 28 April 1959; pages 247, 249, 250, 251, 252, 255, 256, 257, 260, 261, 262, 263

25X1 3. If you have any questions concerning specific excisions, please contact [REDACTED] of my staff on extension [REDACTED]

MEMORANDUM FOR: [REDACTED]

NFAC/FOIO, Rm. 2E6104, Hdqtrs.

[REDACTED]

Attached are excerpts from the DCI(Dulles) testimony before the Senate Foreign Relations Committee in 1959, which the Committee has asked the Agency to declassify. As I mentioned in our phone conversation I have bracketed in red some dubious passages for which I need help from OSWR and OSR. The question remains, given 1959 estimates, how much could be projected or extrapolated to give 1981 figures?
